School Year 2019-2020

Rules for the Safety of our Children.

- No person older than the students in a class can sit in/audit/visit a classroom while students are present; the classrooms are for enrolled students and instructors only.
- Students who are attending classes fourth grade and younger must wait in their classrooms with an instructor to be picked up by their parents.
- Classes begin promptly at 11:00 am and end promptly at 12:00 pm. Please make sure that your children arrive on time and are picked up on time, as we will not release them until picked up by parents or assigned guardians.
- Please contact the Parish office at (417)869-3646 if you have any questions or concerns about our Parish School of Religion, or if you would like to arrange a meeting with the Coordinator of Religious Education, or a Catechist.

Student Absentee Policy

Every Sunday PSR class is important and every class that is missed by a student means that a valuable religious training opportunity has also been missed. Understandably, family life requires that sometimes absences are unavoidable. Students may miss up to three classes in a given school year and still progress with their assigned class. After a fourth absence in a school year however, the student's parents must meet with one of the Coordinators of Religious Education and, based upon the recommendation of the students Catechist and with the approval of our Parish Pastor, a decision will be made to determine if the student can progress with their assigned class, or if they must repeat the school year curriculum.

I agree to bring my children to PSR class, and to attend Mass with my children here at Sacred Heart Parish, Springfield, MO throughout this school year.
